## **ASK YOUR CHILD ABOUT:**

Who is Punxsutawney Phil?  
What groundhog game did we play?  
How do you make a shadow?  
What was our weather prediction?  
What was their favorite learning center?

Groundhogs are very famous during this special week in February. Punxsutawney Phil is the star celebrity on Groundhog Day. This year he may see his shadow which means that there will be six more weeks of winter. We made our own shadows in class.

For our upcoming Valentine's Day party on the 14<sup>th</sup>, please help your child make a special **Valentine box** to put their cards into. Bring this box to the party. I attached a list of the children's names a week ago to help you fill out the Valentine cards.

In the next several weeks we will be focusing on the Upper Case Letters. Please continue to work with your child at home on letter recognition.

## **Here are some upcoming dates to put on your calendar:**
