ASK YOUR CHILD ABOUT:

What color did they paint their apple?

What are the 3 parts of an apple?

What was your favorite color of apple to eat?

We will have a fabulous trip to Sunset Park. We will enjoy playing in the park and eating our snack outside in the warm weather. We will look for signs of nature (bugs, birds, and flowers) throughout the park. The best part will be floating our boat!!! Wear shoes that can get dirty.

It is taking us a little more time to get the children out of the classroom at the end of the day. We are learning how to be responsible for our things. The children are doing a great job putting their papers in their book bags and getting ready to leave for the day.

Have a relaxing weekend!

Here are some upcoming dates to put on your calendar:

***Pumpkin Trip Oct 16th**

***No School -Oct 3rd - 13th**

ASK YOUR CHILD ABOUT:

How high did we build the towers?

What are the 3 parts of an apple?

What was your favorite color of apple to eat?

How do they make apple cider?

We had a fabulous trip to the Pleasant View Apple Orchard on Wednesday. I hope that you were able to sample some of those tasty apples. We saw how to sort apples, we learned how to identify different apples, and tasted apple cider. Thanks so much to all the parents who came on the trip to the orchard, and for assisting with the other activities.
